Ultimate Plumbing Solutions LLC is a full service plumbing company located in the Tampa Bay area, serving Hillsborough, Pinellas, Pasco, Polk, Manatee, Orange, Lake, Volusia, and Osceola counties.

Ultimate Plumbing Solutions is licensed and insured in the state of Florida. This ensures that our work is carried out to the highest standards of quality and safety, giving you peace of mind throughout the process. We abide by all local county and state code specifications for all work completed.

Small Jobs: We take on small plumbing jobs such as toilet repairs, water heater repairs, leaks, drain clogs, etc. We offer these at a competitive rate due to our efficient back end model. Our leverage on technology creates a streamlined experience from start to finish.

Large Jobs: We have the equipment and crew to handle larger jobs, such as “re-pipes”, sewer line debris removal via a jetter system. State of the art sewer line camera to view and locate clogs and issues underground within your piping system. Backflow installations, water heater installations, full bathroom and kitchen remodels, new construction or rehab plumbing.

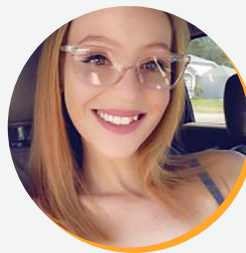

Lead Plumber / Experience: Your team is only as good as your top person. Luckily for us, that person is Jack Dungey. Jack has been doing plumbing as his full time profession for 30 years. He is well known in the surrounding area and is often the person sought after for more complex jobs. There is likely no plumbing situation he has not faced before. He will be our lead person making sure all jobs are done to a high quality standard.
